PRIMARY EXAMINER

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Examiner's Comment

The Examiner spoke with Mrs. Early November 22, 2004 and would like to express her sympathies on the loss of her husband, Mr. Christopher Early, Applicant for patent number 10/059,400.

The Examiner is including a courtesy copy of the latest Office Action dated 12/03/03. The Examiner understands that due to Mr. Early's declining health, he was unable to finish the prosecution of the patent application. As Mrs. Early is the Executor of Mr. Early's estate, she may choose to petition to revive the patent application even though it has gone abandoned. After further research, the Examiner would like to point out that it is imperative to file a petition in a prompt manner. Since it appears to the Examiner that it would be appropriate to file a petition due to unavoidable delay, the Examiner is including this information with this communication.

Mrs. Early is invited to call the Examiner with any questions she may have at the below listed telephone number.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anne Marie Grunberg whose telephone number is 571-272-0975. The examiner can normally be reached on Mon-Thur, 7:00 am to 4:30 pm and alternate Fridays.

Art Unit: 1661
